

WE WELCOME YOU TO UDAYACHAL PRIMARY SCHOOL

Friendship Day has come again.
It's time to make new friends and gain.
Not only people but nature too do we befriend.
Then why not the Mangroves, our shores who defend.

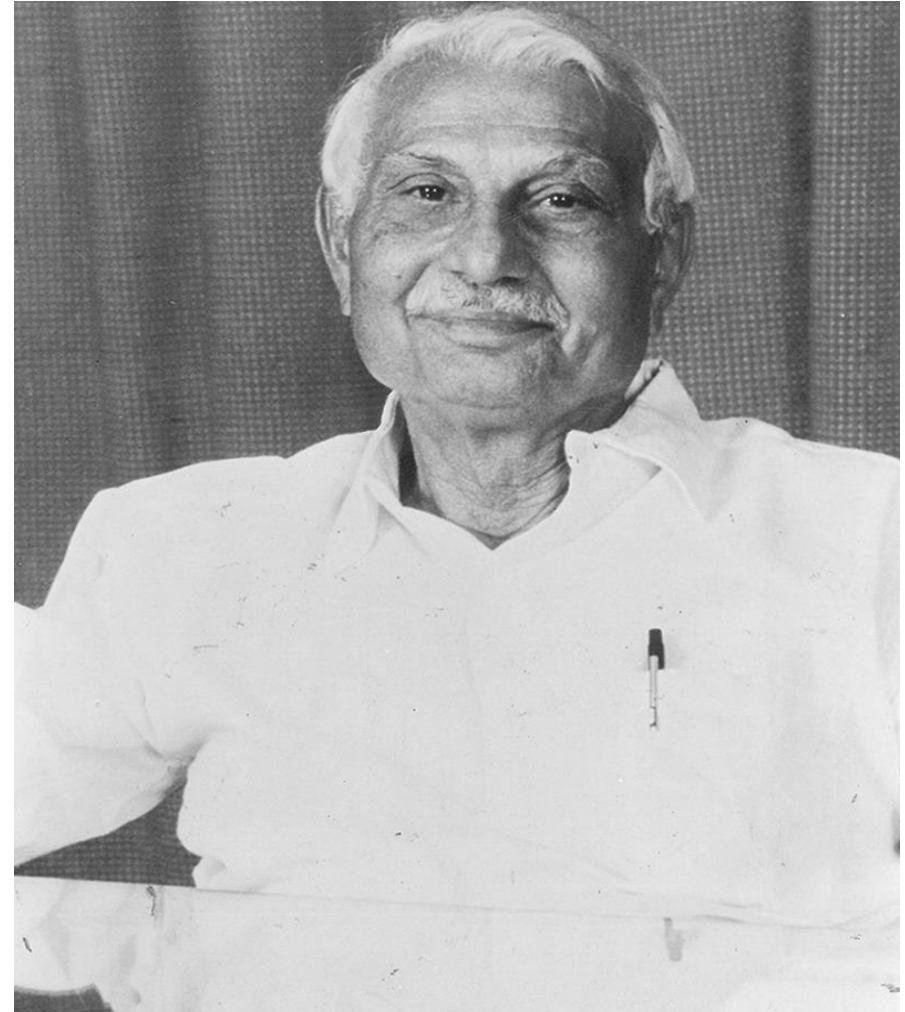

In memory of our dear Naoroji, we celebrate.

Friendship Day, 8th August - that's the date!
Our founders looked after the mangroves with love.

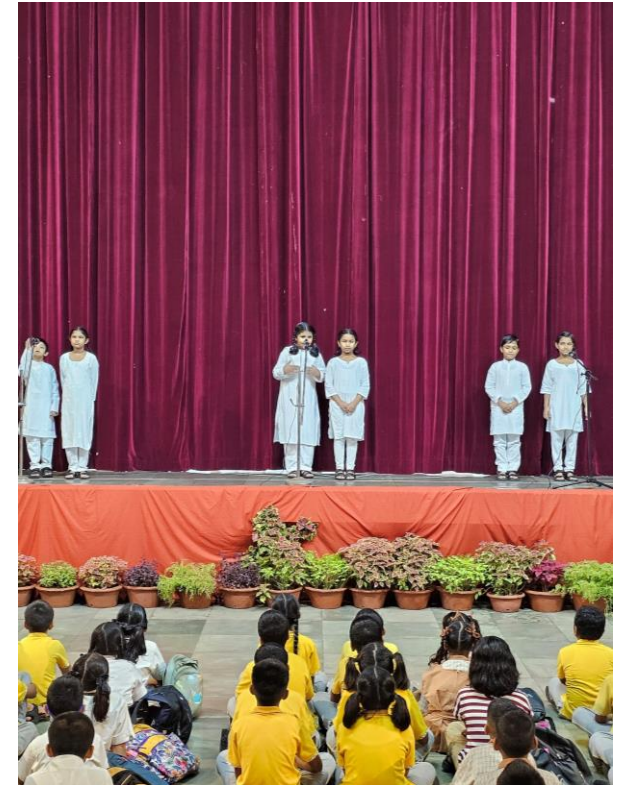

Let's promise to take care, nurture that bond
and be hand in glove.

Friendship Day Celebration in memory of our Founders 8th August 2025

On August 8th, the third graders celebrated Friendship Day, cherishing the values and vision of Shri Naoroji Godrej the beloved founder of our school. We also paid tribute to Soonuben his wife and Mrs. Cooverbai Vakil who helped him establish the school.

Our school warmly welcomed students from neighbouring institutions this year.
