

Nature's Symphony – Celebrating the Elements

Standard 2 Annual Day Programme 2025 – 26

This year, Std. 2 celebrated the Annual Day by honouring the sky that shelters us, the sun that lights our path, the wind that refreshes, the water that sustains and the earth that nurtures all.

The Annual Day Programme began with the lighting of the lamp by the Guest of Honour - Mrs. Binaifer Chhoga and other guests like the Principal of Udayachal High School Dr. Rekha Pandey and Member of the Management Mr. Rajesh Surve.

**Glimpses from the first element - SKY.
The children beautifully depicted how
Udayachal Schools, like the vast sky, has been
spreading light and knowledge for the past 70
years**

The second element - SUN. The children portrayed the sun's warmth, energy, and the light of knowledge it brings.

The third element - WIND. The children highlighted the wind's importance and the need to keep our air clean and pollution-free.

The fourth element - WATER. Through their dance, the children depicted the water cycle and highlighted the importance of conserving clean water for life and nature.

The sixth element - FIRE. Through their dance, the children depicted the warmth, energy, and light of fire, highlighting its vital role in our lives.

The fifth element - FLORA AND FAUNA. The children showcased the beauty of plants and animals and emphasized the need to protect and cherish all living beings.

And lastly, the seventh element - EARTH. Through their dance, the children highlighted the nurturing earth that sustains all life and the importance of protecting it.

The Annual Day Programme concluded with a speech by the PTA member, followed by an inspiring address from Mrs. Binaifer Chhoga on how nature teaches us countless valuable lessons.
